

Some Edwardsiids from the CSD monitoring program

To date we have collected *Edwardsia* sp SD 1 at:

Station 8130, 7/11, 139m

Station E-3(1), 1/12, 112m

Station B-12(1), 1/12, 100m

These have potentially been misidentified as *Edwardsia* sp G in the past.
